WHEN YOU ARRIVE: If you are staying at the Ridgewood Inn, check in at the office to find your room. If you will be at the cabin, we will let you know where the keys will be hidden. We will have an informal wine and cheese party Friday evening at the motel.

Saturday will be a day of skiing (if there is snow) or whatever you wish to do. That evening there will be a wine and nacho party, again at the motel.

Roomate assignments are listed on the following sheets. Any changes need to OK'd with ALL people involved. Unless previously requested, all assignments were made on a random basis.

For those staying at the Ridgewood, a continental breakfast will be brought to your room each morning consisting of juice, coffee or tea and fresh baked cinnamon rolls or english muffins. You must schedule the time at the office the day before.

For those staying at the cabin, you will need to bring sheets and blankets or a sleeping bag, towels, soap, etc. as this is not provided. A continental breakfast will be provided each morning consisting of coffee or tea, juice, and rolls. However you will have to prepare them yourself. Sunday morning everyone in the cabin will be responsible for cleaning the cabin. Instructions as to what needs to be done will be given. Due to these inconveniences, there will be a \$10 rebate to all people in the cabin. The rebate will be available after we receive the cleaning deposit back from the owners.
