Dear Tom:

Thank you for accepting our offer to speak at High Tech Gays' meeting on Sunday, January 12.

The meeting will be held in Room M-80 of the Campbell Community Center, at the corner of Campbell Ave and Winchester Blvd. The evening starts at 6:30 with a pot luck supper, followed by a brief business session at around 8, and your presentation at approximately 8:15. We would welcome your accepting questions from the floor. We then adjourn and socialize until they close the building up at 10.

As you know our group consists mostly (though by no means entirely) of people in the high tech industries, and we have a strong interest in such issues as coming out on the job (both in the private and public sectors), treatment of gays by the local media and police, AIDS, security clearances (and other job related biases), how a gay politician perceives his role, etc. You might address these and/or any other issues which you feel would be appropriate.

I am enclosing a copy of our current newsletter and flier, and am looking forward to our meeting again on January 12.

Very truly yours,

Rick Rudy, President
