Dear Susan:

It was nice to chat with you the other day, and I am writing this note to confirm your speaking engagement at the May 10 meeting of High Tech Gays.

Upon consideration, I believe that a full presentation, with you as the sole speaker, would be the best arrangement. This would allow a full discussion of the history and concepts of ethical investing, and the "sales pitch" would be a much smaller portion of the total picture. A question and answer period would follow your presentation, and, as we are mostly degreed professionals, we sometimes ask technical and pointed questions!

This is a Sunday evening meeting: we meet at 6:30 pm for a potluck supper, then begin our business meeting at around 7:45 pm. Please be our guest for supper if it is convenient for you.

I am attaching our latest newsletter which has a map to the Billy DeFrank Lesbian and Gay Community Center where we meet. If you are coming from San Francisco: take Highway 280 south into San Jose; pass the Highway 17/880 interchange; exit at Meridian Ave north; cross Moorpark Ave, Auzerais Ave, San Carlos St., and turn right at the T at Park Ave; cross Race St.; the Center is 2/3 of the way down the next block, on the right, #1040 Park Ave.

We are all looking forward to your visit and presentation. See you on May 10.

Very truly yours,

Rick Rudy
President
