It is a joint production of San Jose Rep and Berkeley Rep theater groups. This premiere showing is a "Black & White" benefit performance for the Arts Council of Gay and Lesbian San Jose. Tickets are \$25.00 and will be available from Rick Rudy.
- JUL 14 REGULAR MONTHLY MEETING and pot luck barbecue - 1:00 PM at Stevens Creek County Park - Come join us for an afternoon of fun in the sun! HTG will provide the charcoal. You just need to get your buns out there, along with something to grill. We still need the usual covered dishes, desserts, beverages, etc. There will be no formal meeting, but we will be playing volleyball and any other outdoor games you're welcome to bring. To get there, take the Foothill Expressway exit from 280 heading south into the foothills. Foothill Expressway turns into Stevens Canyon Road. Keep going (a little over four miles from 280) until you see the signs for the park on the left. If you reach the reservoir, you went too far. We will be in the Villa Maria Area toward the back of the park. Look for the HTG signs.

#### MINUTES OF LAST MONTH'S MEETING

Thank you once again Lynn Martin for hosting our June meeting! Lynn has hosted SEVERAL of our meetings. He's a real sweetheart. Lynn, thanks again for your gracious hospitality.

Richard Doitteau reported on Activities Committee events. Those currently scheduled are listed in the calendar.

Roger Biery then reported on the status of PABAC's "Corporate Outreach" project and got consensus from the group to delay (until August) application for tax-exempt status of the Social Action Fund when FREE legal counsel would be available.

Our guest speaker was Randy Shilts. Randy is an openly gay reporter for "The Chronicle" and author of the best selling biography of Supervisor Harvey Milk, The Mayor of Castro Street. Randy talked of his experiences as a gay journalist. Some were humorous; others thought-provoking. For the past one and a half years, Randy has been covering AIDS and AIDS-related stories. He shared with us some news and insight. Thanks for spending the evening with us!

### **San Jose Gay Pride Rally**

HTG's booth was a BIG success again this year. Over 6500 people attended the rally. We collected over 100 prospective member names. Welcome to HTG! Each of you will be receiving our newsletter for a few months to introduce you to HTG. We hope you will decide to join our group. Thanks to the many members who staffed the booth.

### **Activities Committee**

For more information on HTG activities, or to volunteer your time and ideas, call Richard Doitteau (415/964-7335).

### **Pinnacles Camping Trip**

A small (number of people), but fun group of about 15 members had the entire campgrounds all to themselves. It brought new meaning to the word "camp". The COOL caves provided relief from the HEAT! Denny was attacked by some "bad" bleu cheese dressing. He's all better now...poor Denny.

### **PABAC Progress**

Greg Gloss and Roger Biery attended the "Lesbian and Gay Employment Rights Conference" sponsored by the Lesbian Rights Project. Although it required a major sacrifice (getting up at 6:30 AM - on Saturday!), it was well worth it. The program was excellent and many useful contacts (strictly business) were made.

### **Womyns Caucus**

For more information call Marcia Randall at (408)287-6240 or Sue Leonardis at (408)370-3760. No other meeting is planned at this time.

General News and Notes

Rick Rudy has been nominated for a position on the Board of Directors for the National Gay Task Force (NGTF). Congratulations Rick! Best wishes during the election. Ballots will be mailed to all members in July. Please remember to vote. NGTF is seeking to broaden its base of support from smaller cities around the country and with Board members from more diverse backgrounds. NGTF offices are in New York and Washington D. C. Their work is with the media and lobbying the Congress. This is an important and monumental task. Please support NGTF with your membership.

We desperately need meeting places. Please let us know if you are aware of an available, large, indoor or outdoor facility. We regularly host around 100 members at each meeting. This is much too large a group for most homes. Rick Rudy or Denny Carroll will be happy to assist with any necessary arrangements. Thank you.
