Dear Bob:

It was nice talking with you last sunday at the meeting. I think everyone their had fun eating and singing Christmas carols. It put some of the spirit back in Christmas for me this year, and I needed that.

As I mentioned at the meeting, I would like to run a business card ad in the next three issues of the High Tech Gays Newsletter. I've enclosed a check for \$75.00 to cover the charges. Although you already have a card, I've enclosed another just in case.

I hope you have a very merry Christmas and happy New Year. I wonder if this decade will also be known as the gay nineties.

Best regards,

Jim
