Dear Members of HTG,

I would like to thank you for your generous donation of \$150 to the Lesbian, Gay and Bisexual Awareness Program (affectionately called LGBAP). As many of you already know, we are a volunteer organization that provides trained speakers to answer questions about our experiences as lesbian, gay or bisexual people for high school and college classes, and for community groups, in the Mid-peninsula and South Bay Areas. Your donation will assist us in continuing to provide each student we contact with an information packet containing helpful facts, book lists, and, most importantly, a list of organizations and phone numbers where they or their friends or family can talk with someone, get further information, and/or obtain a referral. We believe that these packets are extremely helpful to both gay and non-gay students and thank you for enabling us to continue to provide this service to our audience.

I would like to apologize for the tardiness of this well-deserved thank you note. This is my first year as president and I'm still learning the job.

May the new year bring peace and joy to each of you.

Jennifer Wakefield Wilson
President
