Dear Mr. Dempsey:

Per your request, I am very pleased to send you a copy of Judge Thelton Henderson's Court Order in the case of High Tech Gays v. DISCO (Defense Industrial Security Clearance Office).

The extreme and unwarranted bigotry and discrimination which the Department of Defense has always exhibited toward the gay community has finally been found out for what it is: unconstitutional behavior.

You did not say in your message what your specific intentions were in regard to this Court Order, but I would be pleased to provide any additional information that I can. I am also enclosing some information on High Tech Gays.

I expect to be in Washington October 8-11, participating in the National March on Washington for Lesbian and Gay Rights and would be happy to meet with you in person at that time. Please let me know. You may reach me at (408) 988-3466 (days) or (408) 255-6128 (eves).

Thank you for your interest.

Very truly yours,

A handwritten signature in black ink that reads 'Richard P. Rudy'.
