Cleve Jones of the Names Project to be Guest Speaker.

The December pot luck meeting of High Tech Gays will be honored with Cleve Jones, Executive Director of the Names Project and the AIDS Quilt, as our guest speaker. The meeting will begin at 7:30 on Sunday evening December 11 at the Billy DeFrank Gay and Lesbian Community Center.

Mr. Jones has been a leading force in bringing the Names Project Quilt to fruition. The Quilt serves as a living memorial to the more than 50,000 people who have died from AIDS. Having recently completed a nationwide showing, Mr. Jones' appearance coincides with the return of the Quilt to its home and a showing at Moscone Center in San Francisco December 14th through the 18th.

Between 200 and 250 members of High Tech Gays regularly attend the monthly meetings with attendance expected to be on the high side due to Jones and the holiday season. The DeFrank Center is located at 1040 Park Avenue, San Jose, between Race St. and Lincoln Ave.
